Dear Hiring Manager,

I am excited to apply for the Software Developer position. With experience in MERN stack development and projects like NodeNest (social media app) and Gadget Galaxy (e-commerce app), I bring practical skills in React.js, Node.js, Express, MongoDB, and Tailwind CSS.

In addition to development, I have worked as an IT Instructor, strengthening my ability to communicate technical concepts and collaborate effectively. I am eager to contribute my skills to build robust, user-friendly applications and grow with your team.

Thank you for your time and consideration. I look forward to the opportunity to discuss how I can add value to your organization.

Sincerely,

Ilias Ahmed
